PROFESSIONAL EXPERIENCE

Cable, Telephone & Power Lineman (2000–2008)

Worked with multiple utility contractors across the Southeastern U.S., installing, repairing, and maintaining overhead and underground lines, including extensive deployment for natural disaster recovery efforts.

Rental Property Owner/Operator (2009–2014)

Oversaw procurement, maintenance, tenant coordination, and financial management for multiple rental units, maintaining high occupancy and strong profitability.

2014 helped start Grooming by trisha

Founder / Owner, Best Tree Service (2017–2026)

Built and operated a top-rated tree removal company, handling end-to-end business operations including estimating, crew management, equipment maintenance, marketing, and high-risk technical removals.

EDUCATION

EHS, Class of '98

Gainesville Dev Academy, 2014

I've studied an unusually wide mix of subjects over the years—everything from blacksmithing and coding to DIY antibiotic production. I've also completed free MIT courses and a substantial amount of Udemy training. I love to learn new things and problem solve.
